To involve more and more members in the development, committee decided to accept contributions of any amount from Rs. 1/- (One) and above depending on members capacity/willingness.

All the members are once again requested to give back some thing to our Alma matter as it gave us a lot.

Next lot of 36 cots are under manufacturing and will be handed over by the end of August, 2007 for class IXth students. Association is confident of getting further sponsors to provide cots to other students also.

Sri Manipal Reddy (77) came forward to sponsor entire cost individually for any project suggested by committee for the school.

District Meet at Nizamabad.

As was informed, district meet of Nizamabad and Adilabad was organized at Nizamabad on 27-05-07 at Kamma Sangam hall. About 25 members from both districts attended the meet. It was heartening to note that half of the members attended were first timers to the alumni activities. Around 50 new contacts of member's addresses from these districts were obtained even though all could not attend the meet due to summer holidays and other pre planned programs.

Sri. Vasudev Rao (80) took lot of pain and spent time and money in organizing the meet in a grand manner and Sri. Rajendra Kumar (81) took lot of initiative in mobilizing the members from Adilabad dist. Committee conveys thanks to both of them and their team.

Members present wanted alumni activities to expand and to provide a platform for helping each other in their day to day needs wherever possible.

Meeting with Secretary APRS Society.

Executive committee met madam Vidya, our ex. Teacher and present secretary to the APRS Society on 27-06-07. We gave an appeal for improving the infrastructure of the school and sanction funds for the same. Madam expressed her inability to release funds as requested but assured the sanctioning of Rs. 50,000/- towards general furniture, 25,000/- each for Labs and Library this year. Madam also promised to sanction up to Rs. 20,000/- for any contingencies at the school whenever needed as it is within her sanction powers.

Developmental activities taken up by Alumni association of APRS Kodiganahalli were shown to the committee by madam Vidya. Provision of cots to entire school children at a cost of Rs. 10 Lac was found small in front of Alumni of Kodiganahalli's works. They have constructed a new hostel block at a cost of Rs. 45 Lac out of which 10 Lac were provided by Society 3 years back. A new kitchen and dining hall are under construction with the help of local NGO and Alumni members. Similarly an auditorium is also under construction with the help of MP funds and donations from Alumni.

We have taken cue from the Kodiganhalli and planned to meet local MLA/MP and involve them in improving the school.

Batch Meetings.

We are happy to inform that in the recent months 1983 and 1984 batch meetings were held in a formal way. It also improved communication among the members and helped in sharing their views. During 1984 meet some of our members came forward to construct a building/permanent structure at our school by next year. Details will be informed later. Committee welcomes their decision. Similar meets of other batches are being planned.
