5 [Expanding the activities of Alumni](#)

It is time for us to diversify the activities of Alumni as a whole to the individual contribution to the society as each one of us can become a change maker. In this direction, I propose to all the members to adopt the school which they have studied before entering Sarvail. We can make a difference to the place where we have born and learnt the first few steps of life. Alumni Association will be glad to assist such individual endeavours.

6 [Inspiration from Alumni Association of Sarvail](#)

It is a pride moment for the Alumni Association of Sarvail as the old students of Tadikonda Residential School have approached for guidance to form the Alumni. They have gone to their Almamatar (Tadikonda Residential School, Guntur) on 27th of December, 2009 and would like to conduct some developmental activities through their alumni in the similar lines of our alumni.
