News in brief since last Communication.

Godavarikhani Meet. As it was informed,

organized at Godavarikhani on 9th Sep, 2007.
Members of Godavarikhani area attended with
families. Members from Adilabad and
Karimnagar also attended the meet. In total
about 150 members attended. Executive
committee members from Hyderabad also
attended the meet and explained the ongoing
activities of the association. The meeting was a
grand success. Committee conveys sincere
thanks to Sri Balakoti Reddy (79) and his
team, who had accepted the request of
committee to organize the meet and made it a
grand success.

Members, who could not attend any of the meets of alumni earlier, recalled the memories of school days.

This meet inspired other district members too and, they also want to organize similar meetings where, the members in the district, otherwise not having communication can meet. Due to paucity of time and the proposed family get together in November at Sarvail, it is not possible to arrange district wise family get together at this point of time.
